Assembly Instructions

Step 1

Remove frames (A) from case. Standing in front or behind expand the frames (A) by pulling up from the middle of the frame.

Step 2

Secure the stability of the unit by engaging the MAGNAFORCE™ locking bars into place.

Step 3

Beginning at the bottom and working up, attach the magnet bars (B) by aligning the cut-outs on the bars with the buttons on the frame (A). They will snap into place. Apply to the front, and the two back corners.

Disassembly Instructions

Step 1

Remove all magnet bars (B) from frame (A), and place in hardware bags (C).

Step 2

Disengage the locking bars (see Assembly Step 2). Fully retract frames and place it and hardware bags (C), in the open center area inside the shipping cases (D).

Storage Instructions

Store in shipping cases (D), in a cool, dry place.

Care Instructions

Spot clean with damp cloth.

Warranty Information

All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion. Lifetime warranty on frame and hardware.
